your child's classroom or the school office

To ensure all students have equitable access to a high-quality public education, schools receive additional education funding based on the number of enrolled students who are from households that are at or below designated income levels. **The Family Income Survey collects household income information that is used to see what additional funding the school might qualify for**, including funds for technology and the Learning Assistance Program. The information provided may also qualify your student for additional supports.

It is **important** that you complete this survey.

Step 1: List all students living with you that are attending school.

Student's Last Name	Student's First Name	Date of Birth	Grade

The Entiat SD continues to be a "CEP" district meaning all students receive meals at NO CHARGE regardless of income. BUT!..... To qualify for additional funding, we need to provide income data for all students to the state and this survey gives us that data. Thanks for completing it!

Step 2: Are any of the listed students: In Foster Care Experiencing Homelessness Receiving Migrant Education Services
