See page 2 for detailed job description

Entiat School District is located on the eastern slopes of the Cascade Mountain Range at the confluence of the Columbia and Entiat Rivers, about 15 miles north of Wenatchee. With a PreK-12 enrollment of approximately 415 students, the school system serves as the hub of community activities. Entiat is a family-oriented community with a rich history of supporting public education, including the consistent passage of maintenance and operation levies. For more information about the district, visit www.entiatschools.org.

APPLICATION MATERIALS MUST INCLUDE:

- Letter of Interest for the open position
- Completed District Certificated Application Form (available at www.entiatschools.org -'Employment')
- Current Resumé - Copy of Teaching Certificate
- Copy of relevant teacher assessment scores (WEST-B, WEST-E, etc.) if applicable
- Transcripts (unofficial transcripts are acceptable)
- Placement File or Letters of Reference

(If an application on file is current, just submit a letter of interest for this specific position)

CONTACT: Robin Richter (rrichter@entiatschools.org) or (509) 784-1800 #3 FAX: (509) 784-2986
Entiat School District / 2650 Entiat Way, Entiat, WA 98822

SUBMIT APPLICATION MATERIALS VIA: mail, e-mail, fax or personal delivery to the District Office.

The Entiat School District prohibits discrimination on the basis of sex, race, creed, religion, color, national origin, age, marital status, honorably discharged veteran or military status, sexual orientation including gender expression or identity, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability in its programs and activities, and provides equal access to the Boy Scouts and other designated youth groups. The following employees, who have been designated to handle questions and complaints of alleged discrimination, can be reached as follows: Greg Whitmore (Civil Rights Compliance Coordinator) via e-mail at gwhitmore@entiatschools.org, or Susan Morris (Section 504 Coordinator) via e-mail at smorris@entiatschools.org, or Bill Edwardson (Title IX Coordinator) via e-mail at bedwardson@entiatschools.org, or call (509) 784-1800, or by mail at Entiat School District, 2650 Entiat Way, Entiat, WA 98822

Entiat Middle School/High School

HS SCIENCE TEACHER

JOB DESCRIPTION

MINIMUM QUALIFICATIONS:

- Bachelor's Degree in Education; Master's degree preferred
- Valid Washington teaching certificate with High School Science endorsement
- Previous high school teaching experience preferred
- Effective communication and interpersonal skills
- Must pass a Washington State Patrol / F.B.I. fingerprint screening examination and background check

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED:

- Knowledge of effective instructional strategies, classroom management techniques, learning assessment and diagnosis, research related to learning, and rules and procedures for student safety
- Understanding of the philosophy and models for providing intervention instruction to at-risk students
- Ability to communicate effectively in English, both orally and in writing, using proper grammar and vocabulary
- Ability to use technology for student learning, word processing, data management, information retrieval, visual and audio presentations, and telecommunications
- Ability to shift tasks and priorities; may experience frequent interruptions; may occasionally deal with distraught or difficult individuals
- Exhibit interpersonal skills that demonstrate the ability to relate well with students, staff, administration, parents, and the community. Ability to serve as a role model and to interact positively with students.
- Must possess a team-approach attitude toward fellow workers.

PRIMARY DUTY: Provide high-quality instruction to students in the Science classroom by teaching topics such as, but not limited to biology, chemistry, environmental science, and physical science.. Plan and implement classroom instruction consistent with program and district curriculum.

DUTIES AND RESPONSIBILITIES:

- Plan and develop quality instructional experiences, regularly followed by appropriate formal and informal assessment
- Provide timely feedback to students and parents on student progress through assessment, assignments, exams, and behavior
- Design engaging hands-on experiments, demonstrations, and lessons aligned with district and state priority standards and the organized plan of instruction
- Establish clear rules, expectations, and regulations for the classroom, laboratory, and field trips while providing supervision
- Reflect and grow to improve learning opportunities
- Integrate technology into the curriculum as appropriate
- Manage student behavior and maintain an atmosphere conducive to learning, using the PBIS (Positive Behavioral Intervention and Supports) system
- Establish a safe and respectful learning environment for all students
- Organize the physical setting to encourage student learning
- Create opportunities for alternative pathway courses in Career and Technical Education related to science, such as environmental science, biotechnology, or health sciences
- Collaborate with local and state colleges to offer advanced science courses for eligible high school students allowing them to earn college credits via College in the High School courses
- Work cooperatively and build strong relationships with other teachers, staff, students, and administrators
- Identify students who need additional support and resources
- Maintain accurate records and assessment data
- Direct the activities of assigned non-certificated personnel

- Attend/participate in all required staff meetings and other activities deemed necessary by the district
- Maintain punctuality and consistent attendance as required by District policy
- Extra-curricular assignments may be available, as well as, extra duty or responsibility contracts
- Other duties as assigned

SUPERVISED AND EVALUATED BY: P-12 Principal
