Randy Whitehall, Mike Wyant

Tom Bassett of Forte Architects

1. Study and Survey Priorities List

In preparation for the school board workshop on 10/15/09, the committee discussed the list of facilities priorities presented by Tom Bassett. In addition to the priorities list, Tom presented drawings to spur discussion.

Additional information: The district is eligible for construction match in the elementary and there are a few unhoused students in elementary as well. 2.4 million in a 3.8 million dollar project in the elementary wing would be paid for with state funds.

2. Other / Next meeting date and time

The next committee meeting is Tuesday, November 10 at 4:00 p.m. in the Home Economics room.
