

TIGER ACADEMY GRADES 1 - 12

Mondays and Wednesday, 10/18 – 12/15

Students in grades 1 – 12 will enjoy one of three great extended learning opportunity options on Mondays and Wednesdays from 3 – 4:30 pm. Students in grades 1-8 will enjoy many engaging, hands-on learning activities that will reinforce active learning skills while helping them develop stronger thinking strategies and a greater love for learning. Middle School/High School students also have the choice to participate in Music Lab with Mrs. Perry-Hardin. Students in grades 9 – 12 may earn high school credit for their participation. High School students not participating in Music Lab may participate in Credit Retrieval.

Please return your students registration to your child’s teacher **no later than Tuesday, October 12th, 2021**. If the number of students exceeds capacity, your student will be placed on a waiting list. *Parents will receive a letter with further information once their student’s registration has been approved.*
