Dear Entiat Families and Community Members,

Last month, I discussed how quiet it was in our halls. As you read this, we have summer school going on so once again, we have students, teachers and staff engaged in teaching and learning. Our summer school students are also going out on a few educational field trips to places such as Rocky Reach Dam, Entiat Fish Hatchery and Lake Chelan for water safety training. It is a good warm up for what's to come with the start of a new school year. Speaking of the '23-'24 school year, here are few important dates:

- Aug. 15 – Parent Meeting for Athletics – 6:00 pm in gymnasium
- Aug. 16 - First Day of HS Football
- Aug. 21 – First Day of HS Volleyball
- Aug. 29 – First Day of School
- Aug. 30 – First Day of MS FB / MS Girls Basketball

Look for information in this newsletter about registering for sports through [FinalForms](#)

Enjoy the rest of summer as it winds down and as always, you can stay up to date and keep up with the great things happening in our schools by visiting our school website at ENTIATSCHOOLS.ORG. You will not only find our calendar and [athletic schedules](#) there, stay more informed on what's happening at Entiat, but also see the many things that make Entiat Schools great. Also, like/share our Facebook page 'Entiat Schools.' As always, I thank you for trusting your child to Entiat Schools and thank you for being part of our great "Tiger Team." Have a great August.

Greg Whitmore
Superintendent

"It's Great to be a Tiger!"

The mission of the Entiat School District to provide all students with the necessary knowledge, skills and attitudes to be productive and responsible citizens.

Dear Entiat Families and Community Members,

In a few short weeks we will be wrapping up summer plans and preparing for back-to-school activities. While we've been away, our maintenance crew has been incredibly busy. They have been prepping our grounds for updated landscaping, coordinating the remodel of our last elementary classroom, getting rooms ready for Summer School classes, and preparing the building for the First Day of School on August 29th! We appreciate the many hats our maintenance team wear as they prepare our rooms and building for another successful school year.

Middle and High school teachers have also been busy preparing for Back-to-School Transition Meetings and Orientations. If you have a student in grades 6, 9, or 12, your student's advisor should be reaching out to you shortly. These meetings are incredibly important to establishing routines and expectations as they transition into middle school, high school, and college or career.

We also have several exciting changes and new additions to our staff.

Ms. Fern Adkinson – Ms. Adkinson joins our team as the new Pre-Kindergarten teacher. Fern comes to us from Wenatchee School District where she has worked for several years in their early learning programs. We are thrilled to have Fern's expertise and energy join our precious pre-kindergartners soon!

Mr. Brian Bailey – Mr. Bailey will be joining us as our school library technician. Many of you may know Mr. Bailey as our football coach. He is coming to us with several years' experience in the Wenatchee and Cashmere School Districts. Mr. Bailey recently served as a long-term substitute in both an elementary and middle school library. We look forward to having Mr. Bailey join us during the academic day and supporting our students through the library!

Ms. Floy Kay Arras - Ms. Arras will return to the classroom this fall as one of two Kindergarten teachers. She will be partnering with Miss Rice and they are looking forward to organizing many fun and enriching experiences for Entiat kindergarteners.

Mrs. Tari Stonecipher – Mrs. Stonecipher will serve as our new K-5 Intervention Specialist. She will be collaborating with teachers, families, and students – working directly with students who need a little extra support in Reading and/or Math. Mrs. Stonecipher is not a stranger to the interventionist position, as she previously served in Alaska in a similar role. We are happy she has decided to join the Entiat team this fall!

Ms. Pricila Delgado – Ms. Delgado will be joining our team as the Elementary Bilingual Specialist for grades K-5. She will be supporting students in the classroom in their core learning as well as providing support with English Language Development. Our team is excited to have Pricila's positivity and experience in dual-language schools join our staff

Mrs. Robin Kirkpatrick- Mrs. Kirkpatrick will be moving to 1st grade and joining Ms. Rider. Mrs. Kirkpatrick is excited to get started and use her knowledge and skills in supporting foundational learning for our first graders. She and Ms. Rider are looking forward to the new year and will make a great 1st grade team!

Mr. Zed Deenik - Mr. Deenik is joining our school as a new 3rd grade teacher. He comes to Entiat from Wenatchee School District where he served more than half the year in a third-grade classroom. Additionally, Mr. Deenik's elementary daughters will be accompanying him here in Entiat. We are excited to have Mr. Deenik and his family join our learning community

Ms. Stacy Mitchell - Ms. Mitchell will be joining Mr. Deenik at third grade this fall. Many of you know Ms. Mitchell has served Entiat Schools in various capacities previously, and we look forward to utilizing her skillset in 3rd grade this coming year!

Mrs. Vicki Edwards - Mrs. Edwards will be moving up to fifth grade and joining Mrs. Tewell. Mrs. Edwards has experience in teaching fifth grade for Entiat while also serving at the District's Highly Capable Director. Mrs. Edwards and Mrs. Tewell are looking forward to teaming together again.

Mr. David Rowley – Mr. Rowley is joining our team as the new music teacher. He comes to Entiat with thirty years' experience as a music professional and has spent the last eleven years building K-12 rural school music programs. Mr. Rowley has taught a variety of music classes and more: pep band, marching band, modern band, choir, orchestra, mariachi, guitar club, drama club, and film production. His passion for music and love of teaching will make him a great fit here in Entiat!

We are very excited to be adding these dynamic individuals and their experience to our team! We'd love for you to come meet them and your student's teachers during our Back-to-School BBQ on Monday, August 28th from 4:30 – 6:00 pm.

Please continue to have a safe, relaxing summer! We look forward to seeing you all very soon.

Warm Regards,

Tracie Husted

Principal

ENTIAT TIGER BAND GOES TO DISNEYLAND

The Entiat Tiger Band traveled to Disneyland, in Anaheim, California, June 19-21, 2023. The Band had the opportunity to take a sight-reading music workshop in a Disney Recording Studio on June 20. In attendance were: 20 students, 8 chaperones and Mrs. Perry-Hardin. It was a great experience. 13 students had never been on a plane before. All participants had a wonderful time.

The first day was a visit to Hollywood and Santa Monica Beach and Pier. The group ate dinner at the famous "Grove and Farmer's Market," before heading back to the hotel for an evening swim.

Day two included the Disney recording studio and recording two songs from Disney's movies, "Cars" and "The Lion King." Students were given music they had never seen before and "sight-read" the music. They worked on it for about 15 minutes and then recorded a Disney soundtrack for two movie scenes. The rest of the day was spent hanging out in California Adventure.

Day three, the group explored Disneyland. Students and chaperones branched off into groups as they enjoyed various rides, exhibits, food, and shops of this famous theme park.

It was a wonderful trip. Students began fundraising for this trip in 2019 and had planned on attending in 2021. However, Covid hit, and all fundraisers were off for a few years. We are incredibly grateful to the community for sponsoring and supporting our student fundraisers. It was definitely a community effort, and it was successful. We are thankful for the chaperones who made this trip possible, as well as our staff, administrators and School Board who supported and approved this trip. It was a once in a lifetime adventure and many life-lessons were learned.
