SUPERINTENDENT'S MESSAGE

Dear Entiat Families and Community Members,

Are you kidding me? Is it really 2023? I had to double-check, but the calendar confirmed it. I hope you all had a wonderful holiday spent with your family. I know our students and staff needed a vacation after 72 days of school. We battled some illnesses and cold, snowy weather, but I hope the break recharged the batteries so we can get back to the most important aspect of school-teaching and learning.

Speaking of cold, snowy weather, I want to say thank you to City Planner Mark Botello and the entire City of Entiat crew. They have graciously been helping us around the school with snow removal and sanding. We are a man down and our tractor is in for repairs making it a bit difficult and slow going after a good snowfall. In regard to keeping our roads safe, I also want to give a shout-out to Bruce Duncan and the Chelan County crew. They make sure the Entiat River road is ready for our morning buses and stay out until our buses return. They clear turnarounds and several other parts of our school district as well. We very much appreciate the teamwork from the city and county crews in helping us to safely operate our school.

January will likely bring more challenging weather incidents. Please look at the information on our school website regarding [Emergency Closures or Delays](#). After a big snow, we try to decide by 5:45 am if we need to have a late start or cancel school and promptly get information posted. We know these decisions can have a big impact on families so we don't make them without thorough consideration including the safety of our students and staff. Parents are encouraged to always have a backup plan for the rare times when we have to delay or cancel school.

We invite you to visit our schools whenever you can to see the great things going on. On January 25th, please join us for Family Stem night from 4:30 – 6:30. Lots of sports going on as well throughout the month to enjoy. Don't forget to visit our school website, entiatschools.org often and like/share our Facebook page 'Entiat Schools.' You will not only find our [schedules](#) there, and stay more informed on what's happening at Entiat, but you will see the many things that make Entiat Schools great. Again, I hope you all had a wonderful holiday break. As always, I thank you for trusting your child to Entiat Schools and thank you for being part of the "Tiger Team."

PRINCIPAL'S MESSAGE

Dear Entiat Families and Community Members,

Happy New Year!! I'd like to send warm wishes for a happy, HEALTHY New Year to each of you!! School resumes Wednesday, January 4th and it will be wonderful to see all our Entiat Tigers, teachers, and support staff back after a well-deserved Holiday Break! As a reminder, students need to be dressed appropriately to play outside as our winter temperatures continue to fluctuate. Coats, hats, gloves or mittens are important for students to have this time of year. If your student is in need of any of these items, please contact Mrs. Susan Morris at smorris@entiatschools.org or call (509) 888-5173. Our team would be happy to assist.

As the New Year rolls in I am reminded this is almost the half-way point in our school year. What a great opportunity this is for students, families, and staff to connect with each other to ensure students are on-track and prepared for the last half of the school year. Skyward, Google Classroom, and REMIND are great tools to communicate with each other. It is apparent this school year that our students are engaged and dedicated to being academically strong. We don't want them to lose this momentum. Our teachers also remain energetic and committed to effective instruction while providing additional support for student success. As a result, the STAR Program will continue to be offered to our students in the coming weeks. More information to come via REMIND very soon!

Another critical component to students overall success is regular attendance. While we have been greatly impacted by cold and flu viruses in October and November, it is extremely important for students to attend school everyday when they are well. Please utilize holidays and before or after school for appointments as much as possible, as more than two days of lost instruction greatly impacts student achievement. Research also indicates chronic absenteeism (2 or more days in a school year) reduces students' likelihood of graduating from high school. We understand physician and family schedules can be difficult to navigate, so if your student must be absent, please excuse the absence within 48 hours by calling our attendance line at (509) 784-1800, option #1. These voicemails are checked several times a day. Thank you for partnering with us to reduce academic gaps and absenteeism.

Thank you for all your support of our students, teachers, and Entiat's learning community in 2022! We look forward to our ongoing partnership in 2023 and beyond. "It's Great to be a Tiger!"

## Staff Gingerbread Competition

On Tuesday, December 13<sup>th</sup> our staff spiced up their weekly collaboration by participating in a Gingerbread Competition. Eight teams competed to construct their houses within 45 minutes and fashioned a variety of creative structures. It was a tough battle determined by more than 163 student votes the next day! Congratulations to Ms. Johnson, Mrs. James, and Mrs. Arnold for winning first place -- lunch provided by Mrs. Husted. Second place goes to Mrs. Deatherage, Mrs. Kirkpatrick, and Mrs. Tewell, while third place to Mr. Jones, Ms. Coolidge, and Mrs. Crutcher. Congratulations to all winners and participants!
