## SUPERINTENDENT'S MESSAGE

Dear Entiat Families and Community Members,

I cannot tell you how excited I am to be the next Superintendent for Entiat Schools. It seems surreal as I write (type) this first message for our Tiger Tales newsletter. Before I get into some thank you's, I want to share a few things about myself.

I am a 1982 graduate of Entiat High School and attended Entiat Schools K-12. I earned a Bachelor's degree in Health & Fitness from Central Washington University and a Master's degree in Exercise and Sport Sciences from the University of Arizona. After 1 year of teaching in Phoenix, AZ, I have spent the past 30 years as a teacher, athletic director, and coach in the Lind-Ritzville School District.

My wife, Karen and I, married for 33+ years, met when we were both working here on the Entiat Hotshot fire crew and own property up the Entiat Valley. We have 3 grown children that love to visit Entiat and lots of family and friends here in the district. As you can imagine, it feels as if I have come full circle as I return home to my roots. Though I am back home, Entiat has changed in the last 30 years, and I am so looking forward to getting to know the community better.

Several thank you's are in order. As I continue my career in education, albeit with a new chapter, the outgoing superintendent, Miles Caples, is retiring and will get some well-deserved rest & relaxation as he caps off a 36-year career in public education. I want to thank him for the last 16 years he has served the Entiat School District as a coach, athletic director, principal, and superintendent. I appreciate Miles' graciousness in helping me with the transition into my new position.

A person I cannot thank enough is Carly Bartlett, our Business Manager. Though I have barely had a chance to get to know her, she was so helpful to me as I went through the hiring process. Sadly, for us, but happily for her and her family, Carly is moving on to a new position. I have quickly come to learn how much she does for our district, and she will be greatly missed. I know every staff member joins me in saying thank you to Carly for her dedicated service to the Entiat School District.

Finally, I want to thank the Entiat staff, school board, students, and community members for being so welcoming to me. I look forward to meeting many more of you. I am very appreciative of the school board for putting their trust in me and yet, I realize trust must be earned and not given. I fully intend to earn the trust of the stakeholders in the Entiat School District. For the past 30 years at Lind-Ritzville High School, I was a Bronco. I can now say with tremendous excitement and emotion that it is "Great to be a Tiger!"

Yours Truly,

Greg Whitmore

Entiat School District #127

Laauren was the first recipient of the Gateway to Excellence Award this year. She received this award for many reasons as she exemplified what it means to go above and beyond for her community of learners. For starters, Laauren worked with Crunch Pack by going and picking up hundreds of boxes of snacks (filling her personal vehicle) so Entiat students could take home several Crunch Pack boxes. She did this not one but twice. Laauren was also instrumental in assisting in the organization of Tiger Academy. She helped with the registration, organizing students into classrooms, and making sure students had buses...the list goes on. STEM Night was a huge success this year! Laauren is credited for co-leading and recruiting staff, community members, and vendors. The rest took off there.

Laauren truly exemplifies what above and beyond the call of duty means and she never asks for anything in return. We appreciate Laauren and are so glad she is a member of the Entiat Team! Congratulations Laauren on your Gateway to Excellence Award.

*Entiat School District*

Gateway to Excellence Award is present by the Entiat School Board to any member of the school community (a student, parent, staff member, or community member) who exemplifies characteristics that go above and beyond the call of duty to serve our community of learners and school. The Entiat School Board wants to recognize and celebrate these individuals for their incredible contribution to our school community. If you would like to nominate an individual or a team of individuals, please contact Tracie Husted (509) 784-1911 or Janet Guerrero-Ramirez 784-1800 for more information.
