TRAIN TO BE A SCHOOL BUS DRIVER THIS SUMMER!

Working as a substitute school bus driver is a great way to make a positive contribution to the education of Entiat kids AND to make some extra cash!! Sub drivers are paid \$18.91 per hour, and we expect that amount to increase for the new school year after bargaining.

You must have at least 5 years of experience driving a car. The school district's trainer will provide the training needed for you to obtain the required CDL with school bus endorsement and prepare you for the written and driving tests. We will pay you for your training time and also cover the other costs for fingerprinting, DOT physical, first aid card, and pre-employment drug screen.

Give us a call to find out if being a school bus driver might be right for you! Call Vickie Jacobs-Stanton at the Bus Barn at 784-0402 or call the District Office at 784-1800.

PRINCIPAL MESSAGE

Dear Entiat Parents, Guardians, and Community,

At the end of this school year, I will be hanging up my principal's hat and will return in the fall as a teacher in the elementary school. I had always planned to return to teaching before I retire and this opportunity to stay in the Entiat community was too hard to pass up! I am excited to join such an excellent elementary teaching team. I have always been committed to the overall well-being and growth of kids. It will be wonderful to focus these energies on a smaller group of students. Maybe I will get to teach some of your students in the future!

It has been a joy supporting your students and building relationships with families. I will continue to work through the summer to ensure the district and the new principal will have a smooth transition into the work.

Thank you for the honor of serving the students of Entiat.

Robin Kirkpatrick, Principal

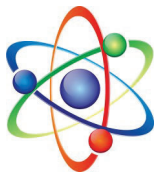

JUNE CALENDAR CHANGE – Last day!!

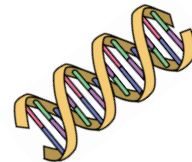

Since we are finishing up the school year in our hybrid mode of split half-day sessions, we realized that having a half-day on the last day of school (Wednesday, 6/16) doesn't make sense. So, please make a note that the last day of school for Grades PreK-11 on Wednesday, June 16 is a FULL DAY OF SCHOOL: AM and PM session students will each attend their particular session. (Seniors will already be done)

CAMBIO DE CALENDARIO DE JUNIO – Último día!!

Ya que estamos terminando el año escolar en nuestro modo de sesiones de medio día, nos dimos cuenta de que tener medio día en el último día de escuela (miércoles, 6/16) no tiene sentido. Por lo tanto, por favor tome nota de que el último día de escuela para los grados PreK-11 el miércoles 16 de junio, es un DÍA COMPLETO DE ESCUELA: los estudiantes de AM y PM sesión asistirán cada uno a su sesión particular. (el grado 12 ya habrán terminado)

Book Up Summer

Our school is participating in Book Up Summer with the Page Ahead Children's Literacy Program. All K-2 students choose 12 new books and take them home the last week of school. These books are free and theirs to keep to read over the summer and beyond! We are fortunate our school is eligible for this program. Even the most reluctant reader is able to find something out of the wide variety of books. It brings such joy to our students to choose their own new books and get to take them home!

Bikes For Books

Congratulations to the winners of our recent elementary reading competition! The following students each won a beautiful bike: Juan Valle, Diego Sanchez, Emily Clarke, and Payton Tucker. Second place prizes went to: Calin Arevalo, Leah Gordon, Delilah Mendoza and Jack Cannon. During the six week competition, first through fifth grade students turned in tickets for every book read and report completed. Individual tickets were drawn for a bike giveaway as well as second place toy filled buckets. The winners were announced May 7th. Our students look forward to this annual event. The amount of reading this year was monumental! I would like to give a huge thank you to Doug Fountain and the local Mason chapter for their annual bike donation. As always, the bikes were gorgeous! I also want to thank our PTO for the second place prizes. I sincerely hope you understand what your generous support has done for our elementary students. It encouraged them to read like never before and inspired so much excitement!

Dear Families,

As part of our ongoing efforts to foster a school climate of respect, and as part of our fifth grade health curriculum, we will begin a unit on Family Life and Sexual Health. We want to let you know about the unit for three reasons.

First, you are welcome to contact me and I can leave the curriculum in the office for you to preview the materials. You can also visit: www.kingcounty.gov/flash and scroll down to the link "4/5/6 FLASH" and it will link you to all the lessons. The units we will study are: Self-Esteem, Gender Roles, Friendship, Decision Making, Sexual Exploitation, Puberty, Reproductive Systems, Pregnancy (how babies grow), and HIV/AIDS.

Second, if you decide not to have your child participate in the unit or particular lessons in the unit, I am happy to discuss it with you. There is a district waiver form that must be completed for your student to opt out of some or all of the lessons because it is a Washington State Law that I teach these Health lessons.

Third, we want to encourage you to discuss the topic at home too. Your child may bring home "family homework exercises" to do with an adult in the family (however s/he defines "family"). These assignments are strictly optional. They are also confidential; students will NOT be asked to report back what you have discussed. The purpose of these assignments is simply to give you a chance to communicate with one another and open the door for discussions and family rules. If more than one adult in the family wants to participate in these exercises, that's great. You may want to take turns, so the student gets special time with each adult.

Please give me a call if you have any questions. I am glad to discuss the philosophy of the curriculum with you.

Sincerely,
Lauren Tewell
