Dear Entiat School District Families,

As we welcome March, we can feel the signs of spring all around us—more sunshine creating longer days, warmer weather, melting snow and new beginnings. This time of year brings excitement and anticipation, both in the classroom and on the playing fields.

Spring Sports & Activities

With the change of seasons comes the start of spring sports, and our student-athletes are ready to represent Entiat with pride and determination. We encourage everyone to come out and support our Tiger spring sports: Tennis, Track and Field and for the first time in several years, boys' soccer. Your support and enthusiasm mean the world to our student-athletes, and we love seeing our community rally behind them.

Celebrating Our Classified Staff

March 10-14 is Classified Employee Appreciation Week, and I want to take a moment to recognize the incredible work of our classified staff. From keeping our schools clean and safe to providing meals, assisting in classrooms, driving buses, and supporting students in countless ways, they are essential to our school's success. Please take a moment to thank these dedicated individuals who play such a vital role in our students' education.

Looking Ahead

As we move into the final stretch of the school year, we remain committed to providing a strong and supportive learning environment for every student. There is still much to accomplish, and we appreciate the ongoing partnership of our families, staff, and community members in making Entiat a great place to learn and grow.

Thank you for your support—let's make the most of this exciting season together!

BETTER TOGETHER: One Team; One Vision; One Community

"It's Great to be a Tiger!"

The mission of the Entiat School District to provide all students with the necessary knowledge, skills and attitudes to be productive and responsible citizens.

Queridas familias del Distrito Escolar de Entiat,

Al dar la bienvenida a marzo, podemos sentir los signos de la primavera a nuestro alrededor: más horas de sol que alargan los días, clima más cálido, nieve deritiéndose y nuevos comienzos. Esta época del año trae emoción y anticipación, tanto en las aulas como en los campos de juego.

Deportes y actividades de primavera

Con el cambio de estación, comienzan los deportes de primavera, y nuestros estudiantes-atletas están listos para representar a Entiat con orgullo y determinación. Animamos a todos a venir y apoyar a nuestros Tigres en los deportes de primavera: tenis, atletismo y, por primera vez en varios años, fútbol masculino. Su apoyo y entusiasmo significan mucho para nuestros estudiantes-atletas, y nos encanta ver a nuestra comunidad unida detrás de ellos.

Reconociendo a nuestro personal clasificado

Del 10 al 14 de marzo celebramos la Semana de Apreciación del Personal Clasificado, y quiero tomar un momento para reconocer el increíble trabajo de nuestro personal clasificado. Desde mantener nuestras escuelas limpias y seguras hasta proporcionar alimentos, asistir en las aulas, conducir autobuses y apoyar a los estudiantes de innumerables maneras, son esenciales para el éxito de nuestras escuelas. Por favor, tómense un momento para agradecer a estos dedicados individuos que desempeñan un papel fundamental en la educación de nuestros estudiantes.

Mirando hacia adelante

A medida que avanzamos en la recta final del año escolar, seguimos comprometidos en brindar un ambiente de aprendizaje sólido y de apoyo para cada estudiante. Aún queda mucho por lograr, y agradecemos la colaboración continua de nuestras familias, personal y miembros de la comunidad para hacer de Entiat un excelente lugar para aprender y crecer. ¡Gracias por su apoyo! Hagamos juntos que esta temporada sea inolvidable.

MEJOR JUNTOS: Un Equipo; Una visión; Una comunidad

Dean's Corner:

*FAFSA continues to be open, we recommend that all 12th grade students complete the FAFSA to keep their options open for any University/Trade School/ Community College.

*The Lanham Scholarship is now open, and all students have access to the application process. The application is due on April 1st.

*Weekly scholarships are sent out to all 12th graders at the beginning of each week.

*PLEASE take a look at the Washington Apple Education Association Scholarship page. Two guests of this organization visited with our students earlier in the year. This is a great site to locate scholarships, etc. There is also a scholarship specifically for Entiat students.

*CREDIT RETRIEVAL: A number of students are currently registered for courses through Courseware that will allow them to make up credits that they are missing towards graduation. The students can work on these classes online whenever they have extra time. Students also have the opportunity to stay after school on Monday and Wednesdays from 3:00-3:45 to work on these courses.

Students and their parents should begin thinking about opportunities for the 2025-2026 school year.

Running Start at Wenatchee Valley College is an option for students that have a minimum of a 3.0 cumulative Grade Point Average at Entiat. Students in 11th or 12th Grade during the 2025-2026 school year are eligible to apply.

Also, The Wenatchee Valley Tech Center registration is now open for the 25-26 school year. All 11th and 12th grade students during the 2025-2026 school year are eligible to apply.

A reminder if you have any questions regarding credits/graduation requirements/scholarships, etc., feel free to contact Mr. Edwardson at school at bedwardson@entiat.k12.wa.us.
