## Entiat Youth Basketball 2022-2023

Registration is now open for our Youth Basketball Season!

**Clinics will be held for grades Pre-K – 2nd grade.** Clinics will start in December. Your child's coach will reach out to you directly to let you know when the first clinic will begin. The cost for clinics is \$25.

**3rd – 6th graders will have games starting in January.** Practices will begin in late November/ early December (depending on gym time). Times of practices will be determined by each coach. Once your child's coach has a practice schedule, they will reach out to you directly. Games will be held in Chelan. The cost is \$35.

**Registration Deadline is November 13, 2022.**

You can find the registration form on our website at [EntiatYouthSports.org](http://EntiatYouthSports.org).

**Programs like these rely on volunteers. If you or someone you know is interested in coaching or sponsoring, please email [entiatyouthsports@gmail.com](mailto:entiatyouthsports@gmail.com) or call Courtney Mitchell at 509-670-9213 or Michelle Arnold at 509-881-8684**

## SUPERINTENDENT'S MESSAGE

Dear Entiat Families and Community Members,

I can't believe it's already the first of November. Time flies when you are having **fun** and I can tell you, students and staff have been having a lot of **fun** this fall. In my first assembly, I showed some old high school pictures (circa 1982) of my classmates and me having a great time in school at Entiat. My message to the kids was that they need to be involved in many activities and make school **fun**. We all know there are some "not-so-**fun**" parts to school and thus, it is so important to take these opportunities to have **fun** and create great memories. We just finished a very **fun** Homecoming week. I want to thank our ASB for organizing dress up days, class competitions, pep assemblies and the homecoming dance. It was a blast to see so many students participating in the activities and I loved how many of our staff led the way to having **fun**.

Speaking of **fun**, the Entiat Tigers PTO Booster Club held a **Fun** Run for our K-5 students. The wonderful volunteers of the Booster Club along with PE teacher Laura Potts did an amazing job building **fun** game activities into the afternoon. They also got support from local sponsors to provide a free T-shirt for every K-5<sup>th</sup> grade student. Let us all continue to support out Entiat Tigers PTO Booster club.

We know that sports certainly are not all about winning, but all of us would agree that winning is much more **fun** than losing. Both our HS volleyball team and HS football team have been winning and both are league champions. Our girls only lost one league game on their way to earning the trophy. The girls also were recognized by the WIAA for their 3.27 team GPA. The football team fought through a tough, early non-league schedule and then got on a roll beating all of their league opponents. They capped the regular season off with an exciting victory over Waterville/Mansfield. The fact that it was the homecoming game and senior night only made it sweeter. Both teams now enter post season with the goal of making it to the State Tournament. It does my heart good to see the school spirit at our games. Watching the boys cheer on the HS VB team from the Tiger Den is a joy and the attendance at our games is great to see.

Of course, in amongst all the **fun** is a lot of serious teaching and learning. This past week was conference week and I appreciate all staff, students and parents who made time to meet and share our kids' progress in the classroom. We all want the same thing and for your child to be successful and have a great experience so I really appreciate the teamwork.

Don't forget to visit our school website, [entiatschools.org](http://entiatschools.org) often and like and share our Facebook page 'Entiat Schools.' You will not only stay more informed on what's happening at Entiat, but you will see the **fun** our students are having and the memories they are creating.

Again, thank you for trusting your child to Entiat Schools and thank you for being part of the "Tiger Team."

Greg Whitmore

Superintendent

"It's great to be a Tiger!"

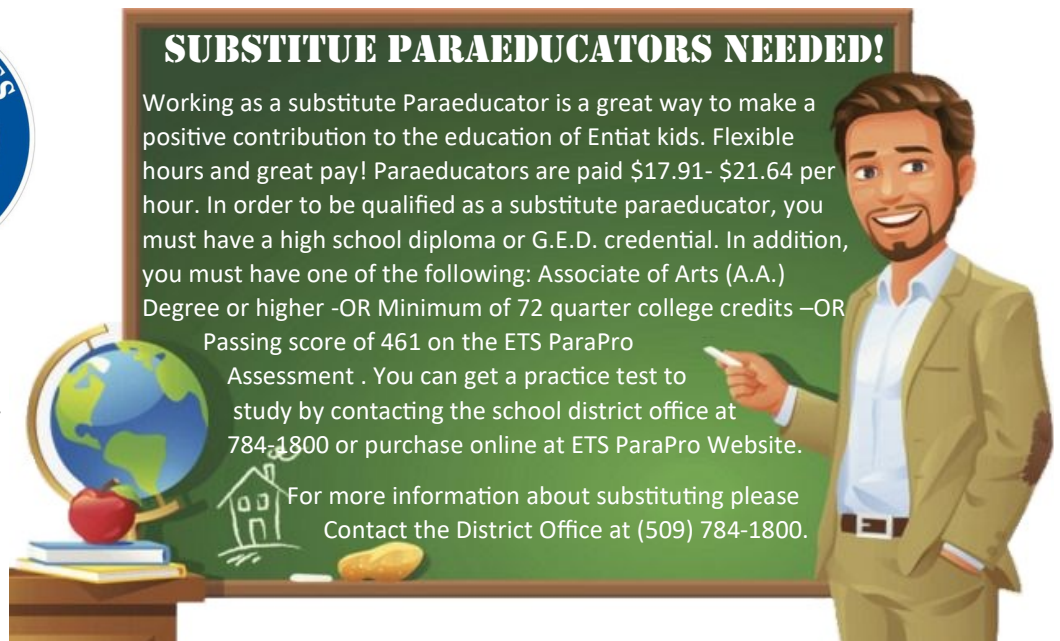

Army and Air Force recruiters were available to talk with students during their lunch time in the month of October.

### SUBSTITUTE PARAEDUCATORS NEEDED!

Working as a substitute Paraeducator is a great way to make a positive contribution to the education of Entiat kids. Flexible hours and great pay! Paraeducators are paid \$17.91- \$21.64 per hour. In order to be qualified as a substitute paraeducator, you must have a high school diploma or G.E.D. credential. In addition, you must have one of the following: Associate of Arts (A.A.) Degree or higher -OR Minimum of 72 quarter college credits -OR Passing score of 461 on the ETS ParaPro

Assessment . You can get a practice test to study by contacting the school district office at 784-1800 or purchase online at ETS ParaPro Website.

For more information about substituting please Contact the District Office at (509) 784-1800.

## **Title I Notification**

Entiat School District is a Title I District

Paul Rumburg Elementary School participates in the Title I Schoolwide Program. Title I, Part A, is part of the Every Student Succeeds Act. Its goal is to ensure that all children have a fair, equal and significant opportunity to obtain a high-quality education and reach proficiency in challenging state academic standards. Our Title I schools qualify for federal grant money which we use for additional staffing, parent involvement, staff development, and extended school day opportunities to help us meet that goal. This update is intended to provide you with important information about this law and your child's education. Please contact Tracie Husted at (509) 784-1800 if you would like more information about Title I activities or parent participation at your child's school.

## **District and School Report Card Information**

Are you interested in knowing how your child's school did on state assessments? How different groups of children performed compared to other schools? You can find out by going to [reportcard.ospi.k12.wa.us](http://reportcard.ospi.k12.wa.us). The Report Card contains information about test results as well as other statistics about the school. To find results for Entiat Schools, use the drop-down menu in the box at the top left of the webpage, find Entiat School District, and press "go". To find results for your child's school, follow those directions to go to Entiat School District, then use the drop-down menu to find either Paul Rumburg Elementary or Entiat Middle School/High School.

## **Right to Request Teacher and Para Qualifications**

All parents and guardians have the right to request information regarding the professional qualifications of your child's classroom teacher or instructional paraeducators. If you request this information, the district will provide you with the following: 1. Whether the teacher has met Washington teacher certification requirements for the grade level and subjects in which the teacher provides instruction; 2. Whether the teacher is teaching under an emergency or other provisional status for which Washington qualifications or certification has been waived; 3. The college major of the teacher and any graduate degree or certificate; and 4. Whether your child is receiving Title I services from paraprofessionals, and if so, whether those paraprofessionals meet state/federal requirements of the Every Student Succeeds Act. If you would like to request this information, please contact Irma Verduzco at (509) 784-1800 #3 or [iverduzco@entiatchools.org](mailto:iverduzco@entiatchools.org).

## **La Escuela de Entiat es un distrito de Título I**

La Escuela Primaria Paul Rumburg participa en el Programa de Título I para toda la escuela. El Título I, Parte A es parte de la ley Cada Estudiante Tiene Éxito. Su objetivo es garantizar que todos los niños tengan una oportunidad justa, igualitaria y significativa para obtener una educación de alta calidad y alcanzar la competencia en los estándares académicos estatales desafiantes. Nuestras escuelas de Título I califican para fondos federales que usamos para personal adicional, participación de los padres, desarrollo del personal y oportunidades extendidas de día escolar para ayudarnos a alcanzar esa meta. Esta actualización tiene el objetivo de dar información importante sobre esta ley y la educación de su hijo. Comuníquese con Tracie Husted al (509) 784-1800 si desea obtener más información sobre las actividades del Título I o la participación de los padres en la escuela de su hijo.

## **Información de Reportes de Calificaciones del Distrito y la Escuela**

¿Está interesado en saber cómo le fue a la escuela de su hijo en las evaluaciones estatales? ¿Cómo se desempeñaron los diferentes grupos de niños en comparación con otras escuelas? Puede averiguarlo en [reportcard.ospi.k12.wa.us](http://reportcard.ospi.k12.wa.us). El reporte de calificaciones contiene información sobre los resultados de las pruebas, y otras estadísticas sobre la escuela. contiene información sobre los resultados de las pruebas, y otras estadísticas sobre la escuela. Para encontrar los resultados de las Escuelas de Entiat, use el menú desplegable en el cuadro en la parte superior izquierda de la página web para encontrar Entiat School District y presione ir. Para encontrar los resultados de de su hijo, siga las instrucciones para ir al distrito escolar de Entiat, luego use el menú desplegable para encontrar Paul Rumburg Elementary o Entiat Middle School / High School.

## **Derecho a Solicitar Calificaciones de Maestros y Paraeducadores**

Todos los padres y tutores tienen derecho a solicitar información sobre las calificaciones profesionales del maestro (s) del aula de su hijo o de los paraeducadores de instrucción. Si solicita esta información, el distrito le proporcionará lo del aula de su hijo o de los paraeducadores de instrucción. Si solicita esta información, el distrito le proporcionará lo siguiente: 1. Si el maestro ha cumplido con los requisitos de certificación de maestros de Washington para el nivel de grado y las materias en las que el maestro brinda instrucción; 2. Si el maestro está enseñando bajo una emergencia u otro estado provisional para el cual se han renunciado las calificaciones o certificación de Washington; 3. La especialización universitaria del maestro y cualquier título o certificado de posgrado; y 4. Si su hijo está recibiendo servicios de Título I de paraprofesionales, y si es así, si esos paraprofesionales cumplen con los requisitos estatales / federales de la Ley Cada Estudiante Tiene Éxito. Si desea solicitar esta información, comuníquese con Irma Verduzco al (509) 784-1800 #3 o [iverduzco@entiatchools.org](mailto:iverduzco@entiatchools.org).

## SEWING VOLUNTEERS NEEDED

If you are handy with any type of needle and thread and have some spare time to sew, knit, or crochet; my 2<sup>nd</sup> grade students are looking for you!

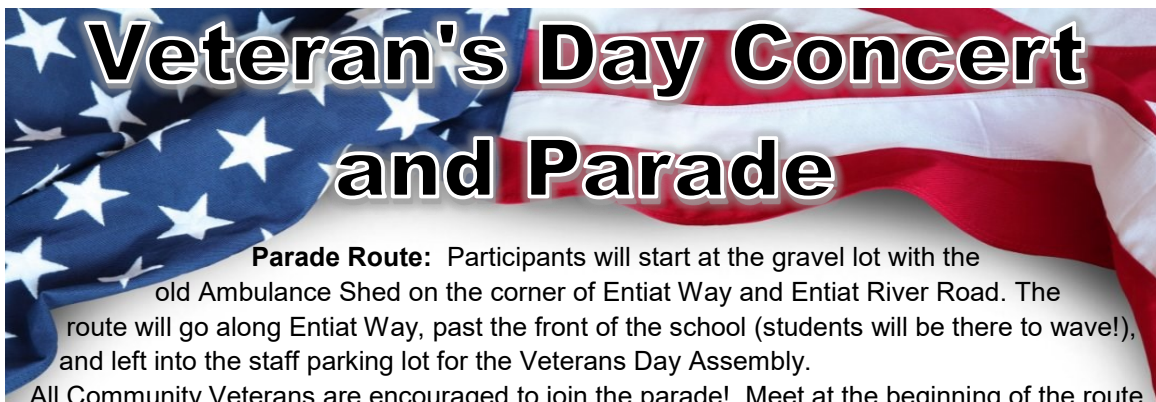

My classroom has recently been awarded The North Central Education Foundation Teacher Classroom Grant through funding from North Cascades Bank. My grant proposal is designed to promote the love of reading in my students. I hope to do this by implementing a Reading Buddy Program in my classroom. Each child will be provided a quality stuffed buddy which they can read to each day for a set amount of time. During that time, they will be awarded points based on their fluency progress. These points can be redeemed for clothing and accessories for their buddy.

To extend the benefits of this program I plan to host reading buddy times where volunteers can come in and meet and read with their reading buddies. Over the course of the year, my students will use this opportunity for various cross-curricular projects and come spring, I would like to host a Teddy Bear Tea for those who have helped make this possible. I am very excited to announce this program to my students, but would like to ensure that I have some volunteers available first. If you would be interested in participating, I would love to hear from you. Please email me at [njames@entiatsschools.org](mailto:njames@entiatsschools.org) and once I purchase the Reading Buddies I will be able to provide dimensions.

Let's get the reading started, shall we?  
Noel James.

## THANK YOU!

The North Central Education Foundation recently awarded a literacy grant to my classroom. My intention is to purchase quality materials for the classroom by authors who address social-emotional topics, STEM (Science, Technology, Engineering and Math), and most importantly, reflect the cultural make-up of my classroom. Students should see themselves in the books they read. This grant is for getting those kinds of books into my students' hands. I have purchased some books for my classroom already, but this grant will allow me to focus on the books and not the price tag. I am so grateful to the North Central Education Foundation and North Cascade Bank for providing this opportunity for my students.

**Parade Route:** Participants will start at the gravel lot with the old Ambulance Shed on the corner of Entiat Way and Entiat River Road. The route will go along Entiat Way, past the front of the school (students will be there to wave!), and left into the staff parking lot for the Veterans Day Assembly.

All Community Veterans are encouraged to join the parade! Meet at the beginning of the route at 12:45 PM, and the veterans car parade will start at 1:00pm.

We are very excited to have our Veterans Day Assembly return for the first time in three years. You are invited to bring a veteran as a guest of honor to our Entiat Elementary and Middle/High School Veterans Day Assembly. The program will be on Thursday, November 10, 2022, at 1:30pm. We would like to honor our service members in person, for their service in our armed forces.

If you would like to include a relative that has/is in the armed forces, please submit their information to [Mrs. Perry-Hardin](mailto:Mrs. Perry-Hardin). Please submit your information no later than Monday, October 31, 2022.

Scan QR Code to download the Veterans Brick Form and submit a service member that served/serving in the armed forces.

Please contact Mrs. Perry-Hardin at 509-888-5155 or [mperryhardin@entiatsschools.org](mailto:mperryhardin@entiatsschools.org).

## Healthy Habit Tips to Set Your Family Up for Success this Cold and Flu Season

### Follow Vaccine Guidelines

One of the best ways to help slow the spread of seasonal, illness-causing germs is to receive immunizations, like the flu shot. The U.S. Centers for Disease Control and Prevention (CDC) recommends anyone above the age of six months receive a flu vaccine every year.

### Teach Proper Handwashing Technique

Washing your hands is a simple and effective way to help prevent the spread of germs. Washing your hands frequently is highly recommended by the CDC, especially after eating, spending time outside, blowing your nose, and coughing or sneezing. As always, make sure your child is using soap and water and washing their hands for at least 20 seconds.

### Support School Healthy Habits and Goals

School health sectors, parents, and communities all have similar goals to improve each child's development. A key component of the CDC's [Whole School, Whole Community, Whole Child](#) model is family engagement to reinforce student health and learning opportunities at home and in school. This cold and flu season,

following your child's school protocols at home will help curb the spread of germs in your community.

### Start a Cleaning and Disinfecting Routine

Clean and disinfect commonly touched surfaces to help kill germs, including those that cause colds and flu. Donating wipes to your child's school is also a great way to help curb the spread of germs in the classroom. This year, refer your school district to apply for free Lysol Disinfecting Wipes by visiting [Frontline Impact Project](#).

### Keep Children Home When Sick

If your child is exhibiting any cold or flu symptoms, it is recommended that they stay home from school. The same goes for staying home from work or running errands if you are sick yourself! This will help prevent you from spreading your illness to others.

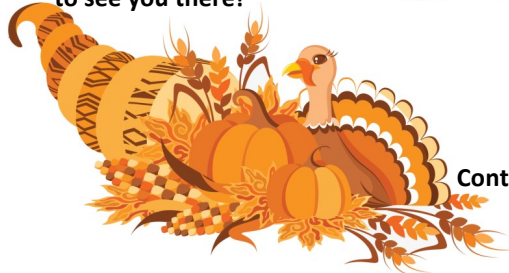

Sources: Centers for Disease Control and Prevention: [Who Needs a Flu Vaccine](#), [Handwashing: Clean Hands Save Lives](#), and [Healthy Habits to Help Protect Against Flu](#).

## Thanksgiving Luncheon

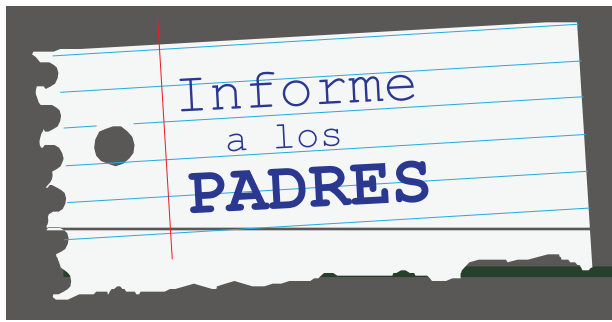

Our High School Leadership Class is cooking and serving a Thanksgiving meal for the Senior Citizens of our Community. We hope to see you there!

MONDAY, November 21, 2022 @ 12:00 pm.

# Consejos de hábitos saludables para preparar a su familia para atravesar con éxito esta temporada de resfrío y gripe

## Seguir las pautas de vacunación

Una de las mejores maneras de ayudar a retrasar la propagación de gérmenes estacionales que causan enfermedades es recibir vacunas, como la vacuna contra la gripe. Los Centros para el Control y la Prevención de Enfermedades (Centers for Disease Control and Prevention, CDC) de EE.UU. recomiendan que cualquier persona mayor de seis meses de edad reciba todos los años una vacuna contra la gripe.

## Enseñar la técnica adecuada de lavado de manos

Lavarse las manos es una manera simple y eficaz de ayudar a prevenir la propagación de gérmenes. Los CDC recomiendan encarecidamente lavarse las manos con frecuencia, especialmente después de comer, jugar al aire libre, sonarse la nariz y toser o estornudar. Como siempre, asegúrese de que su hijo utilice agua y jabón, y se lave las manos durante al menos 20 segundos.

## Apoyar los hábitos y objetivos saludables de la escuela

Los sectores de la salud escolar, los padres y las comunidades tienen objetivos similares para mejorar el desarrollo de cada niño. Un componente clave del modelo [Whole School, Whole Community, Whole Child de los CDC](#) es la participación de la familia para reforzar la salud de los estudiantes y las oportunidades de aprendizaje en el hogar y en la escuela. En esta temporada de resfrío y gripe, seguir

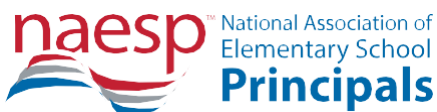

los protocolos escolares de su hijo en el hogar ayudará a frenar la propagación de gérmenes en la comunidad.

## Comenzar una rutina de limpieza y desinfección

Limpie y desinfecte las superficies que se tocan con frecuencia para ayudar a matar los gérmenes, incluidos aquellos que causan el resfrío y la gripe. Donar toallitas a la escuela de su hijo también es una excelente manera de ayudar a frenar la propagación de gérmenes en el aula. Este año, remita a su distrito escolar para solicitar toallitas desinfectantes Lysol gratis visitando el [proyecto Frontline Impact](#).

## Mantener a los niños en casa cuando estén enfermos

Si su hijo presenta síntomas de resfrío o gripe, se recomienda que permanezca en casa y no vaya a la escuela. Del mismo modo, quédese en casa y no vaya al trabajo o haga mandados si usted está enfermo. Esto ayudará a evitar que contagie su enfermedad a otras personas.

# Have you ever wondered what businesses were in Entiat 70 years ago? Take a look into the past:

Now, imagine 70 years in the future, people wondering the same thing. Please consider purchasing an ad for our 2022-23 Yearbook. Prices range from \$25 business card size to \$125 full page ad, all in color. If interested, please email Wendi Crutcher at [wcrutcher@entiatschools.org](mailto:wcrutcher@entiatschools.org). Your support helps keep the cost of the book down for our students and also documents the businesses that were in our community this year.

Thank you for your support!

Dean of Students Update:

## TESTING UPDATE:

The 10<sup>th</sup> and 11<sup>th</sup> Graders have completed their PSAT and ASVAB Tests for the Fall. On October 18<sup>th</sup> Dr. Doug Callahan came to the school to present a Career Lesson to our students who took the ASVAB test and had the students interpret their scores and find their strengths and career interests.

## COLLEGE AND CAREERS UPDATE:

On Thursday, November 3<sup>rd</sup> our 11<sup>th</sup> and 12<sup>th</sup> graders will travel down to Wenatchee Valley College for the College and Career Fair. Over 100 booths will be available for our students to interact and gather information concerning their future plans whether that be college, Tech. schools or work.

On Tuesday, November 29<sup>th</sup> our 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> graders will be visiting the campus at Central Washington University in Ellensburg. The visit consists of seeing their Visitor Center, taking a walking tour of the campus and sitting for an Admissions Presentation given by the Central Washington University staff.

## FINANCIAL AID UPDATE:

A reminder to all 12<sup>th</sup> grade students who plan on attending any 4-year, 2-year, or Technical School, that they are required to complete the Federal Financial Aid Form to be admitted to any post-secondary school.

\*Located on the information table up by the High School lift are numerous college and Technical school brochures and information booklets available for parents and students to take and learn about their favorite schools.

If there are any questions concerning any of these items please contact Bill Edwardson, Dean of Students
