REMINDER:

Don't forget to send your child to school with a reusable water bottle. Students have time during school to fill and refill their water bottles as classrooms are equipped with filling stations. We recommend that parents send their students with an empty water bottle to avoid the extra weight in the student backpack. Please contact the school office at 509-784-1314 or 509-784-1911 if you have any questions.

RECUERDO:

No olvide enviar a su estudiante a escuela con una botella de agua reutilizable. Los estudiantes tienen tiempo durante la escuela para llenar y rellenar sus botellas de agua, ya que los salones de clases están equipados con estaciones de llenado de agua. Recomendamos que los padres envíen a sus estudiantes con una botella de agua vacía para evitar el peso adicional en la mochila del estudiante. Comuníquese con la oficina de la escuela al 509-784-1314 o al 509-784-1911 si tiene alguna pregunta.

PRINCIPAL'S MESSAGE

Dear Entiat Families and Community Members,

Let me first start by saying how thankful I am that WE ARE ALL HERE, back in person, and 100% together all day! It has been a great first month of school as our community of teachers and learners have re-established relationships, learning habits, and daily routines. Our staff has worked hard to ensure a safe, student-centered learning environment and communicate regularly with families. Our students have been resilient. They have adapted to school processes with grace, while learning what it takes to be back in school a full day. And, our parents and community partners have been busy! Entiat's PTO meets regularly to find ways to support our school and sports programs, while our community partners establish means to support to our classrooms and families. Although there have been many obstacles to overcome during the transition from hybrid learning into the new school year, this community has come together and will be stronger than ever! I look forward to seeing what all we accomplish together this year!

I wanted to take a moment and introduce to you some of our new staff members:

Certified Teaching Staff

Susan Morris, School Counselor. I am very excited to be partnering with Susan Morris, our new school counselor. Susan is joining Entiat from having served the Grangeville, Idaho community the last several years. She is a wealth of knowledge and has already hit the ground running, meeting with students, families, and building community partners.

Laura Potts, P.E. and 6th Grade Agile Youth Development. Many of you may already know Ms. Potts from her student teaching experience. Well, we are excited to say we were able to hire her before anyone else did!

Laura King, P-12 Interventionist. Some of you may know Mrs. King, also, as she has served in our bilingual program the last couple years as a paraprofessional. Mrs. King brings with us incredible experience in Middle School and High School, having taught English, Math, and Special Education. We are excited to have her join the intervention team!

Edwin Medina, Floating Substitute Teacher. Many of you already know Mr. Medina, not only as a substitute teacher the last couple years, but also as the assistant football coach! Mr. Medina is incredibly flexible

Classified Para Professional Staff

The following para professionals are joining our incredible special education and academic intervention teams: Lissbet Pina, Jack Deatherage, Katie Renggli, Thomas Sanford, Jessica Calkins, and Karen Lopez. These individuals are replacing retirements and resignations. Please join me in welcoming all our new staff members.

If you have any questions, please reach out to your student's teachers, Mrs. Morris (our counselor), or myself. We are here to support your student and family.

Warmest Regards,
Tracie Husted

Entiat School District is a Title I District

Paul Rumburg Elementary School participates in the Title I Schoolwide Program. Title I, Part A is part of the Every Student Succeeds Act. Its goal is to ensure that all children have a fair, equal and significant opportunity to obtain a high-quality education and reach proficiency on challenging state academic standards. Our Title I schools qualify for federal grant money which we use for additional staffing, parent involvement, staff development, and extended school day opportunities to help us meet that goal. This update is intended to provide you with important information about this law and your child's education. Please contact the Tracie Husted at (509) 784-1314 if you would like more information about Title I activities or parent participation at your child's school.

District and School Report Card Information

Are you interested in knowing how your child's school did on state assessments? How different groups of children performed compared to other schools? You can find out by going to reportcard.ospi.k12.wa.us. The Report Card contains information about test results as well as other statistics about the school. To find results for Entiat Schools, use the drop down menu in the box at the top left of the webpage to find Entiat School District and press go. Right to Request Teacher and Para Qualifications

All parents and guardians have the right to request information regarding the professional qualifications of your child's classroom teacher(s) or instructional paraeducators. If you request this information, the district will provide you with the following: 1. Whether the teacher has met Washington teacher certification requirements for the grade level and subjects in which the teacher provides instruction; 2. Whether the teacher is teaching under an emergency or other provisional status for which Washington qualifications or certification has been waived; 3. The college major of the teacher and any graduate degree or certificate; and 4. Whether your child is receiving Title I services from paraprofessionals, and if so, whether those paraprofessionals meet state/federal requirements of the Every Student Succeeds Act. If you would like to request this information, please contact Carly Bartlett at (509) 784-1800 or cbartlett@entiatschools.org.

La Escuela de Entiat es un distrito de Título I

Su objetivo es garantizar que todos los niños tengan una oportunidad justa, igualitaria y significativa para obtener una educación de alta calidad y alcanzar la competencia en los estándares académicos estatales desafiantes. Nuestras escuelas de Título I califican para fondos federales que usamos para personal adicional, participación de los padres, desarrollo del personal y oportunidades extendidas de día escolar para ayudarnos a alcanzar esa meta. Esta actualización tiene el objetivo de dar información importante sobre esta ley y la educación de su hijo. Comuníquese con Tracie Husted al (509) 784-1314 si desea obtener más información sobre las actividades del Título I o la participación de los padres en la escuela de su hijo.

CHANGE TO ASB CARDS AND ATHLETIC EVENT TICKET FEES:

The Washington State Legislature passed HB1660 that requires that school districts **waive all fees for attendance at or participation in** any optional, non-credit extracurricular event of cultural, social, recreational, or athletic nature **for students who are low income**. The law also requires the districts to reduce fees for students' family members and nonstudents over the age of 65 who, by reason of their low income, may be unable to pay the fees to attend these type of events. The purpose of this law was to remove financial obstacles that would potentially prevent students and their families from being able to fully participate in extracurricular activities.

The district's percentage of students who are considered low income is around 65%. To avoid the complications of operating separate systems for selling ASB Cards and Event Tickets to both non-low and low income students and family members, in July the Entiat School Board adopted Policy 3510 that eliminated both ASB Card fees and Event Ticket Fees for ALL students and non-students completely, regardless of income. Elimination of participation fees (ASB Card Fees) will make it easier financially for ALL students to participate in extracurricular activities. The District hopes that by removing attendance fees (ticket charges) for athletic events (high school football, volleyball and basketball; track and tennis and middle school events already do not charge ticket fees), attendance and support for these activities from the community at large will increase.

Local enrichment levy funds as well as additional monies generated by Associated Student Body (ASB) fundraising will be used to make up for the loss of ASB revenue resulting from no ASB Card and ticket sales.

SCHOOL MEALS AT SCHOOL ARE BACK and MEALS REMAIN FREE!

School breakfast and lunch will once again be offered daily in the Commons/Cafeteria for all Entiat students. (The Grab 'n Go meals served during our COVID hybrid schedules will no longer be provided.) The District will follow all health and safety protocols during meal periods, ensuring that students maximize physical distancing during meals and that lunch tables and serving areas will be sanitized as recommended by the Dept. of Health.

Entiat Schools will operate under a meal program authorized by the USDA that allows **ALL** students to receive school meals **FREE** through the 2021-22 school year **regardless** of their income or meal status.

Students will still need to pay for a la carte items and individual milks and can charge these items to their school meal accounts.

Even though USDA has extended free meals for all students for the year, some families will still need to **fill out an Application for Free or Reduced Meals** to determine the status of your child/children **in case the P-EBT program is expanded into 2021-22** and to help establish the Free/Reduced status level for the whole school district. The District's Free/Reduced level is used to determine district eligibility for other state and federal programs and funding, so we urge you to **submit the application if you receive one in your child's back-to-school packet**. (Some students will be automatically coded Free or Reduced through the Direct Certification process and will not receive an application in their packet or need to submit one.) If you need a new form, please contact the school office.

¡COMIDAS ESCOLARES ESTÁN DE VUELTA y PERMANECERÁ GRATIS!

El desayuno y almuerzo escolar se ofrecerán una vez más todos los días en el Cafetería para todos los estudiantes de Entiat. (Las comidas para llevar que fueron ofrecidos durante el último año escolar ya no están disponibles). El Distrito seguirá todos los policias de salud y seguridad durante los periodos de comida, asegurando que los estudiantes maximizan la distancia física durante las comidas y que las mesas de almuerzo y las áreas de servicio serán desinfectado como lo recomienda el Departamento de Salud.

Las escuelas de Entiat operarán bajo un programa de comidas autorizado por el USDA que permite que **TODOS** los estudiantes reciban comidas escolares **GRATIS** durante el año escolar 2021-22, **sin importar** sus ingresos o estado de comidas.

Los estudiantes todavía tendrán que pagar para alimentos adicionales o para leches individuales y pueden cargarlos a su cuenta de comidas escolares.

Aunque el USDA ha extendido las comidas gratuitas para todos los estudiantes durante el año escolar, algunas familias aún necesitarán **completar una Aplicación de Comidas Gratis o Reducidas** para determinar el estado de su niño/niños **en caso de que sigue el programa P-EBT en 2021-22** y para ayudar a establecer el nivel de estatus Gratis/Reducido para todo el distrito escolar. El nivel Gratis/Reducido del Distrito se utiliza para determinar la elegibilidad del distrito para otros programas y fondos estatales y federales, por lo que le recomendamos que envíe la **aplicación si recibe una en el paquete de regreso a clases de su hijo**. (Algunos estudiantes se codificarán automáticamente como Gratis o Reducido a través del proceso de Certificación Directa y no recibirán una aplicación en su paquete y ni tendrán que enviar una) Si necesita un formulario nuevo, comuníquese con la oficina de la escuela.
